MINING NOTES FROM NEVADA

Gerlach, May 11.—The flotation mill of the Leadville Mines company has been improved and overhauled and will be ready for operation within a week. The plant has been idle during the winter. A supply of high grade milling rock will come from the 400-foot level where a five-foot vein averaging around \$25 per ton in lead and silver was found a short time since.

Unionville, May 16.—Specifications have been prepared for the leaching department of the Universal Silvers company plant and bids on equipment are being received. The new flow sheet calls for leaching as a part of the process and tests show a net additional extraction of about 15 per cent of the total values will be made by this means.

Carson City, Nevada, May 14.—An early reduction of freight rates applying to ore and concentrates seems certain. A definite promise has been received from the railroads by the Public Service Commission, which states that the new schedule will go into effect as soon as possible.

Tonopah, May 12.—The Tonopah

Mining company has shipped 27 bars of bullion valued at \$60,000 as its product for the last half of April. The value of the shipment for the first half of the month was \$50,000. shipped 55 bars valued at \$125,000. Tonopah Extension sent out 33 bars with a value of \$70,000. Belmont West End production was 44 bars worth \$99,356.

Virginia City, May 10.—Work has been suspended at the Middle Mines project, which it is understood, was backed by Charles M. Schwab. Approximately \$100,000 has been spent in preliminary work. No reasons have been assigned.

The big mill of the United Com-

stock is scheduled for completion in September, which will mean about one year spent in construction.

Callente, May 17.—Work will be commenced in the Chief district, adjacent to Caliente. Thos. J. Harnsey, who recently returned from the east, has financed development of two groups of claims. The principal metal mined is gold and the ore assaying high in iron and manganese, material carrying \$20.00 in metal value can be shipped at a profit.

Pioche, May 10.—Ore assaying 480 oz. silver, 45 per cent lead and 6.3 per cent copper has been struck in a drift from the 700 level stoper the Black Metals Mine. Steady shipments are being maintained

The Combined Metals Mine is also shipping, the ore being consigned to the American Smelting & Refining company at Garfield, Utah. The output will be held at about 50 tons per day. A two-foot ledge of silver ore, assaying 25 oz. silver and 45 per cent lead, was lately uncovered at Quartz Springs near Pioche. The discoverers are Henry Olinghouse and S. E. Lambert.

Win a prize \$2000 in Gold!

HOW MANY OBJECTS BEGINNING WITH 'B' CAN YOU FIND IN THIS PICTURE?

That is what you are to determine. Try it. It is easy. Without any trouble whatever, you can readily see such objects as "bear," "basket," "boy," etc. Can't you? Well, the others are just as easy to see, but the idea is who can find the most. Fifteen big cash prizes will be given for the fifteen best lists of "B-words" submitted in answer to this puzzle. The person sending in the largest and nearest correct list of visible objects shown in the picture, starting with the letter "B," will win first prize; second best, second prize, etc.

WE INVITE YOU TO JOIN IN—LOTS OF FUN

This Newspaper has made arrangements with the National Puzzle Contest Co. whereby our readers are permitted to take part in an interesting and amusing Puzzle Game—a puzzle that is different from the ordinary—a game in which all can participate. Get out a pencil or your pen and ink and start making up a list of words for the objects you can find in the picture above, which start with the letter "B." There is no trick or

catch to this puzzle. All objects are clearly shown. Nothing is hidden and you do not need to turn the picture upside down or tilt it to one side or the other; it is interesting, educational and fascinating—nothing hard; just different.

Yes, all join in—old folks, middle aged folks and young folks. See who can find the most "B-words." As soon as you have your list made up, send it in and TRY FOR THE BIG PRIZES.

EASY TO WIN \$1,000—HERE'S HOW

This campaign is to give our readers some good lively entertainment and at the same time afford a chance to compete nationally, along with the readers of other newspapers, for the large prizes offered by the National Puzzle Contest Co. Understand you do not need to send in a subscription to this paper to win a prize but prizes are larger where subscriptions are sent.
If your list of "B-words" is awarded FIRST prize by the judges, you will win \$50, but if you would like to win more than \$50, you may have opportunity to contest for the "BIG CASH PRIZES" by sending in ONE or TWO subscriptions to this Newspaper.
HERE'S HOW: If your answer to the "B-Word" Picture Puzzle wins FIRST prize and you have sent in subscriptions to this Newspaper qualifying you for "Class B," you will receive \$150 instead of \$50; Second prize \$100; Third prize \$75, etc. (See second column of figures in prize list.)
OR, if your answer wins FIRST prize and you have sent in subscriptions to this Newspaper qualifying you for "Class C," you will receive \$1000 in place of only \$50; Second prize \$500; Third prize \$250, etc. (See third column of figures in prize list.)
The necessary number of subscriptions to qualify for "Class B" or "Class C" is given opposite the prize list below. These subscriptions may start at any future date and may be new or renewal. Your own subscription may count. If one is already a subscriber to this paper we will enter their time toward the increased subscription period. Also subscriptions may be sent to different addresses if desired.
Bring or send your list of words direct to this office and we will mail it to the National Puzzle Contest Co. immediately. They will acknowledge receipt of it direct, stating in what class you have been entered according to whether you include a subscription to this paper or not and the number. All cash prizes will be paid direct to winning contestants at close of campaign by the National Puzzle Contest Co.
EXTRA PUZZLE PICTURES FREE ON REQUEST
